

WPC Study Hall Community Covenant

Welcome to WPC's Study Hall! We're glad you're here. We hope to provide a safe and comfortable place away from home for you to study or work. Please review our Community Covenant carefully and abide by our safety guidelines.

For everyone's safety and comfort, we ask that you:

- Wear a mask at all times.
- Maintain a 6 foot distance from non-family members at all times.
- Sit one person to a table, unless sharing with a family member.
- Use the bathroom one person at a time.
- Let the kitchen be Ray's space.
- Use the water fountain in the hallway to fill cups or water bottles only (no mouths, please!).
- Wash or sanitize your hands frequently.
- Listen to anything that makes noise through headphones.
- Have loud conversations outside.
- Take care when moving about the rest of WPC's campus, recognizing that construction is in progress.

In return, we promise to:

- Provide soap, hand sanitizer, and disposable masks.
- Sanitize surfaces regularly.
- Keep an exterior door propped open at all times for increased air flow.
- Staff the study hall with two adults at all times.
- Provide packaged snacks and drinks.
